PROFILE

Senior Test Automation Engineer with over a decade of experience in front-end and back-end testing across fintech and healthcare platforms. I specialise in building scalable test automation systems that are easy to maintain, along with CI/CD pipelines that build confidence to ship reliably.

PROFESSIONAL EXPERIENCE

Senior Test Automation Engineer, Klara

2023-current - Berlin, Germany

- Full-stack Test Automation for a healthcare communication platform integrated with multiple EHR systems.
- Built scalable API and UI tests in TypeScript and Playwright.
- Implemented performance testing with k6 and used Datadog for monitoring and data analysis.
- Migrated Cypress tests to Playwright, improving test stability and reducing suite flakiness.
- Led the WCAG accessibility testing initiative, collaborating with frontend and UX teams.
- Managed CI pipelines on CircleCI and Github Actions, maintaining automated quality gates.

Senior Test Automation Engineer, Billie

2019-2023 - Berlin, Germany

- Backend Test Automation for a Fintech platform built on event-driven microservices.
- Developed backend automated tests with Java and Cucumber.
- Documented complex system workflows to support knowledge sharing across teams.
- Supported QA team growth by interviewing and mentoring new engineers.

Test Automation Engineer, 3XM Group

2018-2019 - Cordoba, Argentina

- Full Stack Test Automation for a major credit card company across web and mobile platforms (Android & iOS).
- Developed automated test suites using Java, Serenity BDD, Appium and Browserstack.
- Performed backend testing of REST APIs using Postman.

QA Engineer, JBilling

2014-2018 - Cordoba, Argentina

- Defined test strategies from feature requirements and contributed to UI test automation across multiple projects of a SaaS billing company.
- Contributed to a UI Test Automation framework using Java, Selenium & TestNG.
- Performed backend testing of SOAP APIs with SOAPui.

EDUCATION

Full Stack Development Bootcamp, SPICED Academy

2023 - Berlin, Germany

Degree in Photography, Universidad Provincial de Córdoba

2013 - 2016 - Cordoba, Argentina
